General Information

Pioneer Design & Development Limited commenced its operations in 2013 as an establishment primarily engaged in Engineering Consultancy. Over time, the company diversified its operations, venturing into the realms of Construction and Real Estate. In pursuit of establishing a well-organized enterprise, 2016 witnessed the inception of Matrix Construction, a subsidiary dedicated to construction-related endeavors.

In 2022, in line with our commitment to fostering skill development and empowering the younger generation, we proudly introduced the Matrix Skill Development Centre. This esteemed training facility offers a comprehensive selection of courses designed to equip aspiring individuals, particularly youth, with the necessary knowledge and expertise in MEP (Mechanical, Electrical, and Plumbing) disciplines, as well as other pertinent skills.

Currently, Pioneer Design & Development Limited actively engages in the domains of Engineering Consultancy and Real Estate. Concurrently, Matrix Construction undertakes construction projects and retrofitting initiatives. The Matrix Skill Development Center remains steadfast in its mission to empower individuals through targeted courses, enabling them to thrive and excel in their chosen paths by acquiring the requisite skills and knowledge.

Message from the CEO & Managing Director

Greetings,

As the Managing Director of Pioneer Design & Development Limited, Matrix Construction, and Matrix Skill Development Center, I warmly welcome all our stakeholders. Our purpose is to create exceptional value for everyone we serve, regardless of background or role. We are committed to surpassing industry standards and delivering innovative, sustainable solutions that make a positive difference in your lives. We value your perspective and strive for strong relationships built on trust and open communication. Whether you need Engineering Consultancy services, construction projects, real estate opportunities, or skill development, our dedicated team is here to support you. We appreciate the support and trust of our clients, partners, and employees in fostering a culture of excellence, collaboration, and innovation. Thank you for choosing Pioneer Design & Development Limited as your partner. We look forward to exceeding your expectations.

Best regards,

Engr. Pabitra Chandra Paul

B.Sc. in Civil Engineering (KUET),
MIEB-24388

OUR MISSION & VISION

Mission

Our mission is to deliver exceptional services and solutions that exceed client expectations. Through our expertise in Engineering Consultancy, Construction, and Real Estate, we aim to create value, foster long-term partnerships, and contribute to the growth and prosperity of our stakeholders. We are dedicated to upholding the highest standards of professionalism, integrity, and environmental responsibility in all aspects of our operations.

Vision

Our vision is to be recognized as a leading force in the fields of Engineering Consultancy, Construction, and Real Estate as well as empowering people with skills that are relevant to our industry. We strive to surpass industry standards, contributing to the development of sustainable and innovative solutions that enhance the built environment and positively impact communities.

Values

- **Safety, environment, and community commitment:**
 1. Prioritizing the safety and well-being of stakeholders.
 2. Promoting sustainability and minimizing ecological footprint.
 3. Engaging in community development initiatives.
- **Local roots and cultural diversity:**
 1. Valuing and respecting cultural diversity.
 2. Fostering an inclusive environment.
- **Human resources and knowledge focus:**
 1. Investing in employee growth and well-being.
 2. Providing continuous learning and career development.
 3. Nurturing a culture of knowledge sharing.
- **Transparency and professionalism:**
 1. Upholding integrity, ethics, and transparency.
 2. Encouraging open communication and accountability.
- **Process efficiency and predictability:**
 1. Implementing robust systems for quality and reliability.
 2. Improving performance through defined processes.

Pioneer Design & Development Limited
WHERE ENGINEERING EXCELLENCE MEETS REAL ESTATE EXPERTISE

Pioneer Design & Development Limited's Services

Engineering Consultancy

Architectural Design: Our team of experienced architects works closely with clients to understand their needs and translate them into innovative and functional designs. We use the latest software and technology to create 2D and 3D visualizations, allowing you to see your project come to life.

Structural Design (RCC Building): Our structural design process includes a thorough analysis of the building's load and environmental conditions, as well as using advanced software for accurate calculations. We also provide detailed drawings and specifications for construction.

Structural Design (Steel Building): With our expertise in steel structure design, we can create lightweight and durable solutions for a variety of building types, including commercial, industrial, and residential.

Electrical Design: Our electrical design services cover all aspects of building electrical systems, including power distribution, lighting, security, and communication. We also ensure compliance with local codes and regulations.

Plumbing Design: Our team of engineers designs efficient and sustainable plumbing systems that meet your building's water supply and drainage needs. We also consider factors such as water conservation and energy efficiency in our designs.

Fire Fighting Design: We design fire-fighting systems that comply with local codes and regulations and provide comprehensive protection in case of emergencies. Our services include detailed drawings, hydraulic calculations, and material specifications.

Estimate & BoQ: Our detailed estimates and bill of quantities include a comprehensive breakdown of all materials and labor costs, helping you plan and budget your project accurately. We also provide cost-saving recommendations and value engineering options.

Consultancy Work Experience

S/L	Clients	Work Description	Project Location	Status
01	Sylhet Gas Fields Ltd.	Consultancy Firm Architectural and Structural Drawing-Design for the modification of Main Gate and Scenic Gate at Mirpur-Srimangal Road at 4000 BPD CFP & 3000BPD CRU	Haripur, Jaintapur Upazilla, Sylhet, Bangladesh	Completed
02	Bangladesh Postal Department	Construction of Head Post office Building at Pabna under Development and Expansion of Physical Infrastructure of Bangladesh Postal Department	Pabna Post Office, Pabna Sadar, Pabna.	Completed
03	RMM Knit Clothing Ltd.	Architectural & Structural Drawing	Aligonj, Kutubpur, Fatullah, Narayanganj.	Completed

PDDL Trading

We are delighted to introduce ourselves as PDDL Trading (Pioneer Design & Development LTD), a leading provider of luxury lifestyle products in Bangladesh. Our mission at PDDL Trading is to offer our clients a comfortable and luxurious experience by providing a wide range of high-end tiles, bathroom and kitchen hardware, and interior solutions at affordable prices. We prioritize quality and elegance, and our goal is to redefine modern homes in Bangladesh by offering 360-degree interior solutions under one roof.

As an authorized distributor of luxury brands Hindware & Jaquar, PDDL Trading supplies a complete range of bathroom and kitchen fittings and accessories from these brands. Additionally, we also offer various types of high quality roofing and wall screws to cater to diverse construction needs.

Why Choose Us?

Experienced and Skilled Team: Our team of engineers, architects, and construction workers have years of experience and expertise in their respective fields. They are well equipped to handle all types of projects and deliver high-quality results.

Innovative and Functional Designs: Our team of architects works closely with clients to understand their needs and create innovative and functional designs using the latest software and technology.

Accurate and Efficient Structural Design: Our structural design process includes a thorough analysis and use of advanced software to ensure accurate and efficient solutions for both RCC and steel buildings.

Comprehensive Electrical and Plumbing Design: Our team provides comprehensive electrical and plumbing design services, ensuring compliance with local codes and regulations and prioritizing energy efficiency and sustainability.

Reliable Fire Fighting Design: We prioritize the safety of our clients and design firefighting systems that comply with local regulations and provide comprehensive protection in case of emergencies.

Transparent and Accurate Estimates: We provide detailed estimates and bills of quantities for accurate project planning and budgeting, along with cost saving recommendations and value engineering options.

Convenient Real Estate Services: Our real estate services offer a convenient payment plan and a range of flat options to suit your needs and budget, along with consultancy services for informed investment decisions.

Customer Satisfaction: Our ultimate goal is to ensure complete customer satisfaction. We prioritize the needs and preferences of our clients and strive to exceed their expectations in all our services. Your satisfaction is our top priority.

Matrix Construction

BUILDING A SOLID FOUNDATION FOR YOUR DREAMS

Construction

RCC Construction Work: We specialize in reinforced concrete construction, from foundations to columns, beams, and slabs. Our team ensures high quality workmanship and timely completion of projects, with a focus on accuracy and attention to detail.

Steel Structure Construction: With our expertise in steel structure construction, we can create durable and cost-effective solutions for a wide range of building types, including industrial, commercial, and residential. Our team ensures precise and efficient execution of all steel construction work.

Retrofitting Work: We provide retrofitting solutions for existing buildings, including strengthening and repairing structural elements to prove their overall safety and durability. Our team utilizes the latest technology and techniques to minimize disruption and ensure efficient results.

Estimate & BoQ: Our detailed estimates and bill of quantities include a comprehensive breakdown of all materials and labor costs, helping you plan and budget your project accurately. We also provide cost saving recommendations and value engineering options to optimize your budget.

Why Choose Us?

Experienced and Skilled Team: Our team of engineers, architects, and construction workers have years of experience and expertise in their respective fields. They are well-equipped to handle all types of projects and deliver high-quality results.

Timely Completion: We understand the importance of completing projects within the agreed timeline. Our efficient project management and skilled workforce ensure the timely completion of all our projects, without compromising on quality.

Transparent Communication: We believe in maintaining open and transparent communication with our clients throughout the project. We provide regular updates and address any concerns or queries promptly to ensure a smooth and satisfactory experience.

Competitive Rates: Our services are competitively priced, without compromising on quality. We provide detailed estimates and bills of quantities to help clients plan and budget their projects effectively.

Flexible Payment Options: We offer flexible payment options to our clients, with a 30% advance payment at the time of work order and weekly payments based on work completion. This helps in completing the project quickly and efficiently.

Adherence to Design and Drawing: We strictly adhere to the approved design and drawing for all our construction work, ensuring accuracy and compliance with building codes and standards.

Quality Assurance: We have a dedicated quality control team that conducts regular inspections and tests to ensure that all work meets our high standards and complies with building codes and regulations. We strive for excellence in every aspect of our work.

Customer Satisfaction: Our ultimate goal is to ensure complete customer satisfaction. We prioritize the needs and preferences of our clients and strive to exceed their expectations in all our services. Your satisfaction is our top priority.

Matrix Skill Development Center

EMPOWERING YOUR POTENTIAL THROUGH QUALITY COURSES

Matrix Skill Development Center

Matrix Skill Development Center is a versatile skill development center dedicated to fostering skilled manpower in Bangladesh, recognizing that skilled individuals are the country's greatest asset. Our primary objective is to equip individuals with the necessary skills to contribute to the country's growth and prosperity. We encourage you to elevate your competence and value by enrolling in our courses, specifically designed to help you pursue and excel in your desired career path.

Our Key Features:

- Our experienced professional trainers provide practical, hands-on instruction.
- We offer both online and offline class options to accommodate various learning preferences.
- Newly graduated engineers can benefit from our industrial attachment training program.
- We design class schedules to align with the needs of our students.
- Classes are held twice a week, with each session lasting 1.5 hours.
- Beginners can participate in daily free classes.
- Working students have the convenience of Friday and Saturday classes.
- At the end of the course, we provide certificates based on examinations and evaluations.
- Class videos and PDF files are made available to students.
- We offer job assistance to help students secure employment.
- Free Wi-Fi facility is provided.

At Matrix Skill Development Center, we offer a diverse selection of courses aimed at enhancing your skills and knowledge across various fields, including construction and engineering. Recognizing the significance of English language proficiency and specialized subject knowledge for international job prospects, we provide specialized training in spoken English and profession-specific expertise. Our courses are meticulously crafted and taught by industry experts, guaranteeing practical, hands-on learning experiences. Take a look at our course list below to find the program that best suits your needs and aspirations.

Matrix Skill Development Center

Course Name	Number of Classes	Frequency
AutoCAD 2D,3D	10	2 classes/week
ETABS	12	2 classes/week
Dynamic Analysis by ETABS	16	2 classes/week
STAAD Pro	12	2 classes/week
Foundation Design (Hand)	12	2 classes/week
Connection Details	12	2 classes/week
BNBC-2020	24	2 classes/week
Codes & Guideline	16	2 classes/week
Project Management	20	2 classes/week
RCC Estimate	08	2 classes/week
Steel Estimate & BoQ	08	2 classes/week
SketchUp & 3D Max	24	2 classes/week
Fire Detection	15	2 classes/week
Fire protection	15	2 classes/week
Steel Design (Hand)	12	2 classes/week
RCC Design (Hand)	12	2 classes/week
Tekla Structure	20	2 classes/week
Steel Detailing	16	2 classes/week
Electrical AutoCAD	10	2 classes/week
Electrical Design & BoQ	10	2 classes/week
Electrical Codes	10	2 classes/week
HR & Documentation	15	2 classes/week
Professional Training	16	2 classes/week
Spoken English	16	2 classes/week
Microsoft Office (Word, Excel, PowerPoint)	24	2 classes/week
Job Preparation (Exam Batch)	24	2 classes/week

Why Choose Us?

Industry Experts as Instructors: Our courses are designed and taught by industry experts with years of experience and knowledge in the field of construction and engineering.

Hands-on Learning: Our courses provide practical and hands on learning experiences, giving you the skills and knowledge necessary for real-world applications.

Flexible Schedule: We offer a variety of courses with different durations and frequencies to fit your schedule, with classes held twice a week for convenience.

Comprehensive Course List: Our course list covers a wide range of topics, from software training to project management and professional development, providing a well-rounded and comprehensive learning experience.

Small Class Sizes: We keep our class sizes small to ensure personalized attention and effective learning.

Affordable Fees: Our course fees are affordable, making quality training accessible to all.

Job Preparation: We offer a specialized course for job preparation, equipping you with the necessary skills and knowledge to excel in your career.

Practical Experience: Our training center is equipped with the latest software and tools, giving you practical experience and preparing you for the workplace.

Convenient Location: Our training center is conveniently located, making it easily accessible for students.

Customer Satisfaction: We prioritize the satisfaction of our students and strive to provide a valuable and fulfilling learning experience.
